

BUSINESS DEVELOPMENT SPECIALIST

We are looking for a Business Development Specialist to join our team and partake in various projects that will allow them to gain experience in the fields of International Sales, International Business, and Information Technology.

Requirements:

- Must have an advanced level of English (oral and written).
- Must be familiar with Google Meet and others video call platforms.

Skills & Qualifications:

- Previous experience working with Sales (preferred).
- Minimum C1 level of English, backed by a valid certificate.
- High communication skills.
- Effective analytical and problem-solving skills.
- Adaptability and flexibility.

The duties of the Business Development Specialist include, but are not limited to, the following:

- Understand the concept of the company, brand, customers, and product goals.
- Create and present a sales pitch to potential customers.
- Handle the negotiation process with potential customers.
- Respond to customer concerns or complaints.
- Develop business strategies that align with the company's goals.
- Create visual business intelligence reports.

Other Details

- Paid opportunity.
- Part and Full-time positions available.
- Work with cutting-edge technology and professionals worldwide.
- Remote work.
